

Northern Christmas Meet – Seahouses

Sunday or Monday 24th or 25th November to Friday am, 29th November

Last year we organised the first Northern Murvi Christmas Meet at one of our favourite places in the whole of the UK! The Northumberland Coast.

Seafield Caravan Park, was the chosen venue and it worked very well for a meet at this time of year: Indeed there have been requests for a repeat and four units are already booked in!

Seahouses is not quite central to Northern England but we think the bit of extra travelling will be worthwhile and that our Scottish friends will also see it as being reasonably accessible. Where are you all!!

The site has 24 concrete hardstandings all with hookup and most with an electric light and water. The fee is £27 per unit per night but for bookings, Sunday to Thursday, of 3 nights or more, one night is free.

However the site fee also includes unlimited admission to the on-site Ocean Club, (a 20 metre leisure pool - 8.00 am to 9.00 pm - spa, steam room, sauna, gym and fitness room - all impeccably maintained). The Ocean Club also boasts a licensed café (8.00 am to 9.00 pm) serving breakfasts, drinks, snacks, pizzas and light meals. There is also free site wifi, heated toilets and showers, a laundry and dish washing facilities. Fitness classes may also be available at additional cost.

Seahouses itself is less than 5 minutes away. There is a decent hotel, overlooking the harbour, for our Christmas meal, several pubs and numerous restaurants, including Traditional, Indian, Italian and Fish and Chips. There are various shops, a bank and a

Coop supermarket. Coastal buses pass through Seahouses, making an easy outward or return route for walking, but also enabling travel as far as Berwick or the delightful town of Alnwick. Holy Island is not far away.

Discussing plans with Karin we opted for a rather early Christmas Meet at the end of November to avoid a clash with other Murvi Meets at this time. So you could manage at least two Murvi Christmas dinners!

Reservations are made directly with Seafield Caravan Park (01665 720628) You can choose your pitch and I suggest we book, in turn, pitches 4 to 8 then 13 upwards so that we are together and on the more sheltered area. Bookings are taken with full payment in advance and I suggest making bookings by phone, not online, to ensure the free night is provided (do ask!) All booking information can be found on the website www.seafieldpark.co.uk

Even in November the site will be popular so early booking is recommended. Please mention MURVI when you book and let me know of your booking, so that I can keep in contact with everyone regarding any activities, the Christmas meal or other arrangements.

Yes, I accept, a rather elaborate flyer! Just put it down to many fond memories, extending from childhood, enthusiasm for the Northumberland Coast and our excitement over another meet at Seahouses!
